

mini MEDICS

First Aid for Children

This is an accredited introduction first aid course for children between the ages of 8-11 and junior medics 12-15. Younger children may be permitted at trainers

Course Duration

3-6 hours dependent on the syllabus you want covered including educational, theoretical and practical teaching sessions.

Syllabus

The Mini medics training delivers a memorable learning experience. It is practical, scenario based and aimed at preparing children and young people to response to life threatening situations. They will learn how to, save a life with their hands.

A range of subjects are covered including:

- What is First Aid
- Recovery Position
- Resuscitation (CPR)
- Wounds and bleeding
- Shock
- Communication and contacting the emergency services
- First Aid Kits
- Choking
- DR ABC
- Asthma
- Safety

Assessment

This is a non-regulated qualification and attendance is all that is required.

Certification

A certificate of attendance.

Numbers

A maximum of 16 children can be accommodated on this course and ideally, all children should be a minimum of 8 years of age. However, younger children are permitted.
